

G590 – Flu / Influenza Shot

Code used to bill flu shots.

Fee Value:
\$5.65

Q590 – Flu Shot Premium for FHO/FHN

A premium that can only be paid if the sole reason for the visit was to administer the vaccine.

Fee Value:
\$5.10

Billing Requirements

1. FHN and FHO physicians can bill Q590 only with G590 (flu vaccinations).
2. Payable for enrolled and non-enrolled patients.
3. For flu shots with a medical assessment, bill the assessment code with G590. Q590A cannot be billed with an assessment.

Q130 – Influenza Vaccine Tracking Code (for patients 65+)

Tracking code is used when a patient is vaccinated elsewhere. Physicians in certain payment plans receive incentives for meeting vaccination targets for patients 65+. A patient is considered immunized if any flu vaccine code is recorded within the past 365 days.

G593 – COVID-19 Vaccine

Code payable for the administration of each dose of vaccine when multiple doses are required to complete the initial vaccination series.

Fee Value:
\$13

Billing Requirements

1. Not eligible for payment for subsequent booster COVID-19 vaccination doses.
2. Not eligible for the FHG Comprehensive Care Premium (10%).

Q593 – Sole Visit Premium

Q593 is eligible for payment with G593 when delivery of COVID-19 vaccination is the sole reason for the patients visit.

Fee Value:
\$5.60

G700 – Sole Reason Premium

A premium for FFS/CCM/FHG payment models, added to eligible immunization codes if the visit's sole purpose is immunization. Can be billed with G593 but not with Q590 or Q593. Payable once per patient per day.

Fee Value:
\$5.65

G846 – Pneumococcal Conjugate

Code used to bill the pneumococcal conjugate vaccine.

Fee Value:
\$5.40
